

These are SCREENSHOTS describing the 4 steps to pay with credit card when you do NOT want a PayPal account. The “confusing bit” is in Step 3: you have to click “create an account” in order to reach to the page which allows you to PAY WITH YOUR CREDIT CARD. 😊

Order a Tibetan Calendar

This calendar is available to people who have completed the Tibetan Pulsing Intensive Process. (The complete process means both eyes, 48 days of training) The link to this page doesn't change. You can use it next year as well :)

Dear Pulser Friends Around The World

The PayPal account has moved to Australia but your payment procedure is the same as before

The easiest is to click the button below

If you're using some other method, you can send money to the same email as before adima(at)adima.net; the new default email is info(at)adimasudeva.com

TWO CURRENCIES are possible:
EUR 16,00
USD 17,50

Transfer and currency exchange fees are included and "on me".

NEW: from WITHIN AUSTRALIA you can now also pay in Aussie Dollars - the Aussie Pulsers will receive a separate Email about this in order to keep it simple, here!

Click the Button or read the instruction below but basically it's the same procedure as every year

Lots of Love
