The order form WILL NOT calculate this automatically. Here is how to do it:

- *If you want 10 calendars: you order and pay 9*
- *If you want 17 calendars: you order and pay 16 (1 x 10 in it)*
- *If you want 29 calendars: you order 27 (2 x 10 in it)*
- *If you want 34 calendars: you order 31 (3 x 10 in it)*

Please send us an email about your bulk order to make sure we send you the right amount of calendars!

DOUBLE SHIPPINGs

we offer ONE substitute shipping if your calendars do NOT reach you after a substantial waiting time. **Please choose a reliable delivery address** (a safe letter box, which can be found by the postman☺)

Notes:

Neither Adima nor anyone else involved in the calendar production holds a “secret transmission” of the moods or the Chieh-Chi, and then “sells it” in the form of the calendar. Everyone who did Intensive with Dheeraj or who studied the work in the last 20 years with trained group leaders, has (or should have) learned how the ‘Tibetan Pulsing Clock’ ticks. “The Calendar” - learning the Chieh-Chi - is part of the INTENSIVE TRAINING.

The trouble is – it’s complex ... and one forgets ...

The Calendar which is published in the Facebook group shows a few different Chieh-Chi start and end dates for about 10 of the cycles. Read about it here : <https://adima.net/en/chieh-chi>

ZOOM – IMPROVEMENTS

When you have completed INTENSIVE TRAINING and are interested to join ZOOM meetings, to share and to learn (more) about the Chieh-Chi Rhythm and/or the other charts you received in the Red Book, send a note of interest by email to adima@adima.net
(ZOOM is similar to Skype but more secure and stable for more people to join at a time)
