BULK ORDER is a way to ensure that the calendars **reach destination**. *(YOU need to organise it, we cannot do that)*

*There is a reduction of 10% on a bulk order over 10 calendars.*

**The order form WILL NOT calculate this. Here is how to do it:**

*Sample:*

- If you want 17 calendars: you order and pay 16 (1 x 10 in it)

- If you want 29 calendars: you order 27 (2 x 10 in it)

- If you want 34 calendars: you order 31 (3 x 10 in it)

**Please send an email about your bulk order to make sure we send you the right amount of calendars:**

### SAFETY of SHIPPINGS

we offer ONE substitute shipping if your calendars do NOT reach you after a substantial waiting time. **Please choose a reliable delivery address** (a safe letter box, which can be found by the postman 😊)
